

CAMPAIGNING THROUGH IMAGES: EXPLORING HOUSING RIGHTS IN NORTH LONDON

EXHIBITION OF STUDENTS FROM MSC IN SOCIAL DEVELOPMENT PRACTICE

The **MSc in Social Development Practice** has partnered with **CitizensUK** and **PhotoVoice** to conduct a series of action research activities with the objective to record and collect the housing experiences of distinct groups in North London. The findings of this research will feed into the on-going housing campaign of CitizensUK targeting the 2016 mayoral election. The work presented in this exhibition includes outputs from

participatory photography activities undertaken in partnership with four institutions in North London including the shelter for the homeless Shelter from the Storm, City and Islington College, Aysha Community School and The Bartlett Development Planning Unit of UCL.

Join us to see the result of activities and to discuss the next steps in the CitizensUK Housing Campaign.
